
Job Description

Position: NUCCA Chiropractor

Calgary Muscle and Soft Tissue Clinic is looking to add a NUCCA Chiropractor with the ability to work closely with our team of massage therapists, athletic therapists, sport and exercise physiologists, kinesiologists, physiotherapists, and sports nutrition experts. The successful candidate will also have the necessary skills to build and execute strategies with our business coaches and clinical directors to meet the expectation of outstanding patient experiences.

Company Description:

CMSTC is a team of like minded professionals who foster a corporate culture of learning, collaboration and team work to inspire active individuals of all abilities to become engaged in self care and wellness.

An important part of the team, your passion for expanding your knowledge and developing to help patients overcome dysfunction, injuries and pain is what sets you apart.

What You'll Do:

- Understand the CMSTC team philosophy and deliver outstanding customer experiences.
- Effectively understand your role, responsibility, symptomology, medical history, and treatment goals of the patient with their overall experience in mind.
- Create and communicate personalized treatment plans for each of your patients.
- Provide patients referral or guidance for therapeutic exercise for home and self care
- Accurately document via clinic's EMR
- Follow clinic business processes and community development
- Participate in business and community development initiatives to drive new patients and revenue growth.
- In coordination with the clinic directors and business coaching team, review compliance and performance.

Who You Are:

- Licensed and in good standing with ACAC
- Valid Liability Insurance
- Excellent communication and organizational skills
- Friendly and professional demeanor
- New graduates or experienced clinicians welcome
- Evidence-informed, patient-centered practice style
